The Kunesh Clan Takes CA

Mom, Dad, Liz, and Ike made a trip to see me in Davis for Thanksgiving.

After biking around for a few days, we headed to a Lake Tahoe cabin for some R&R!

Rollercoaster Ride Ends in Tragedy

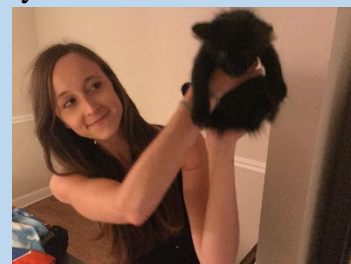

After a series of rough patches, Madi and I ended our year-long relationship. Ultimately it was my decision, but due to stress and other factors, I was unable to make the kinds of commitments needed to sustain a distance relationship for as long as was probably required.

This event has dominated my mood for the past couple months, but I hope it's the right decision. I'm grateful for the relationship and her support.

Takin' it a day at a time.

A Merry Christmas (and a Happy New Year) Back Home

I flew home just a few days before Christmas to meet with the Raleigh Kunesh Clan for the annual Christmas feast. On the way, I intercepted Brandon Cercena and Stewart Kerr.

After a week palling around Concord with Drew Smith and some others, the family headed to Hilton Head for some cold salt water and Exploding Kittens.
